

Сортировочные столы для картофеля.

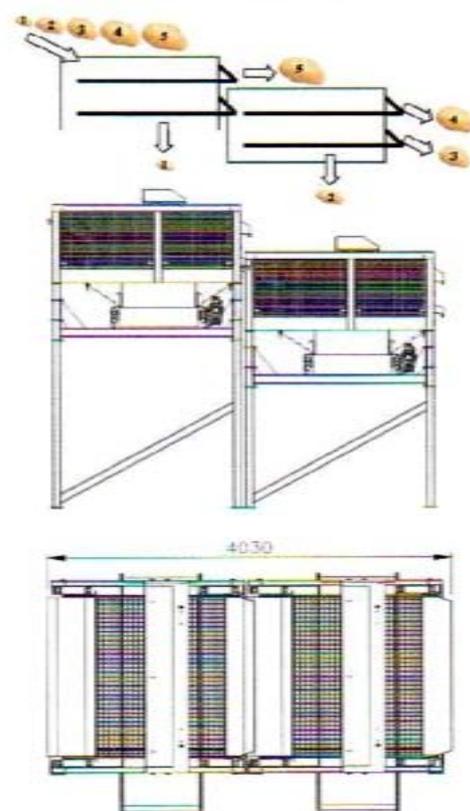

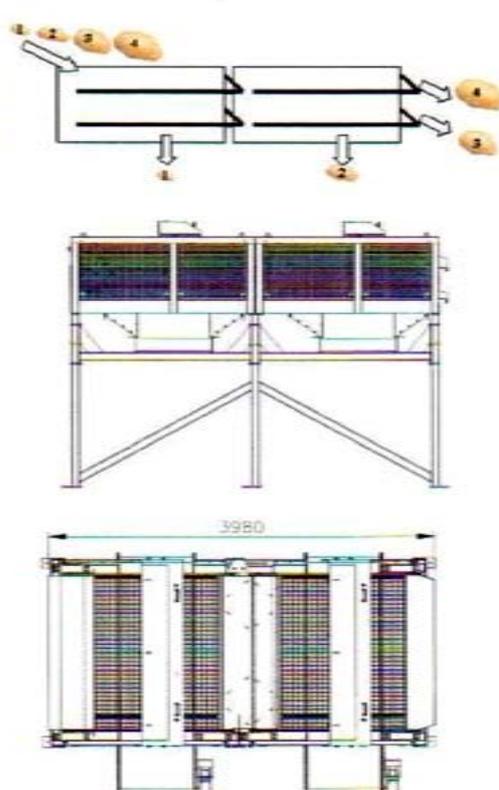

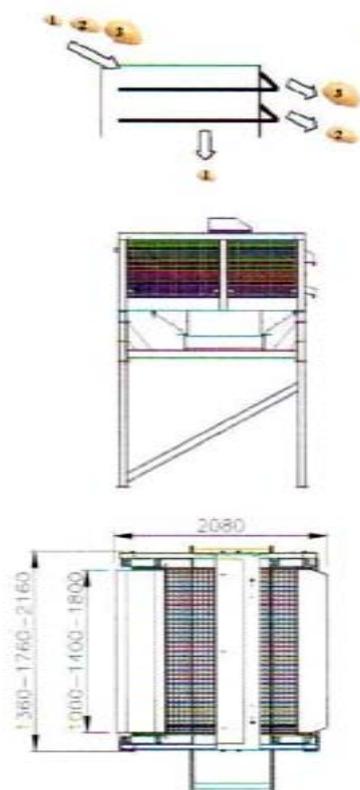

На последующем листе показаны примеры конфигурации сортировок.
В принципе, как Вы видите по картинкам, сортировку можно конфигурировать, при этом учитывать не только особенности помещения, но и другие требования.

SD1003 / 1403 / 1803

SD1004 / 1404 / 1804

SD1005 / 1405 / 1805
